**FAUSTI CLASS ROUND BODY—FLAWLESS OPERATION WITH ITALIAN  
REFINEMENT**

Fredericksburg, VA—Since 1948 Fausti has been producing the finest Italian shotguns. In 2010, the Class Round Body Over/Under is the culmination of continuous research and design efforts.

The Class Round Body is at the top of collector lists. The Class Round Body is offered in 16, 20 and 28 gauge and features automatic ejectors, metallic bead, single selectable trigger and 14-3/8” length of pull. The Turkish Walnut stock is hand selected for the highest color, grain pattern and integrity and rubbed with oil to perfection by Fausti artisans. The Class Round Body is offered with a 30” or 28” barrel, overall length of 45-1/2” and weighs merely 6.3 pounds in 16 gauge or 20 gauge and 5.8 lbs in the 28 gauge.

The Class Round Body has a Prince of Wales style stock, with a 2-1/8” drop at heel and 2” drop at comb. The coin receiver is laser engraved to ensure the fineness of the detailed embellishments. In 2010, the Class Round Body will have the option of a case finish. The Class Round Body retails at \$4299 in the 16 gauge, \$4,199 in the 20 gauge and \$4,599 in the 28 gauge. The Class Round Body represents the finest of the old round action gun making philosophy of Scotland with an Italian flair.
